Your Top Choice for Expanded Access at Competitive Rates

EmblemHealth offers access to top doctors and hospitals in the tristate area and nationwide. Our networks include the QualCare network in New Jersey and the ConnectiCare network in Connecticut. Coverage outside the tristate area for EPO and PPO plans is provided by First Health®, an NCQA-accredited provider network. Your employees can access health care professionals across the nation.
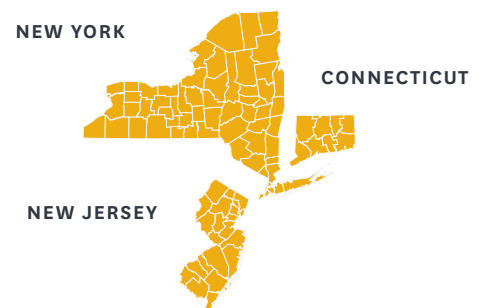

The EmblemHealth Bridge Program

EmblemHealth's Bridge Program is our best solution for nationwide access at competitive rates.

Plans Designed to Meet the Needs of Our Clients and Members
EmblemHealth has been building strong partnerships in the tristate area for more than 85 years. Bridge offers enhanced local coverage with national access.

The Power of Bridge
Get the broadest access available through EmblemHealth. With Bridge, members can get the care they need where they need it, seamlessly. Included are local Centers of Excellence, such as Hospital for Special Surgery, Memorial Sloan Kettering Cancer Center, and Montefiore Medical Center. Nationwide coverage is offered through our partner, First Health®.

NEW YORK

CONNECTICUT

NEW JERSEY

## The Bridge Program includes:*

206,000+ health care professionals

32,000+ primary care providers (PCPs)

179,000+ specialists

460+ hospitals

*The above counts do not include First Health Network numbers.

Bridge Program information as of July 2024.

The counts listed for the Bridge Program are unique providers and locations. Hospitals and providers who have multiple locations are counted once. Some providers may be double-boarded and counted twice. Please use Find a Doctor on **emblemhealth.com** for a full list of providers and locations available through EmblemHealth and the First Health Network.

Prime Network

The EmblemHealth Prime Network includes the Prime Network in New York, the QualCare network in New Jersey, and the ConnectiCare network in Connecticut.
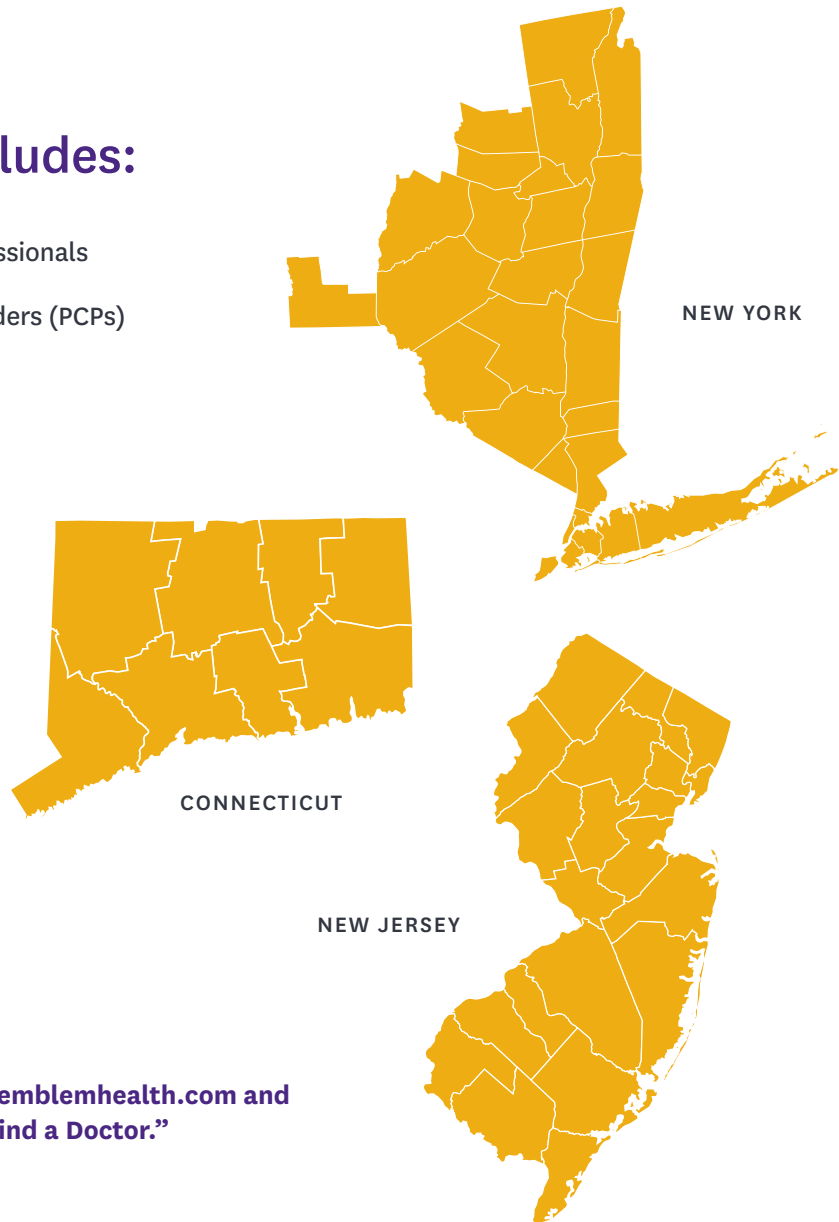

Prime Network includes:

183,000+ health care professionals

28,000+ primary care providers (PCPs)

158,000+ specialists

400+ hospitals
